

# **Sprint 3 Backlog**

The following is our Sprint 3 Backlog:

- **Receive Updates**

**Description:**

- As a student, I should be able to receive notifications and be able to confirm, reschedule, or decline the interview requests.

- **Request and select slots**

**Description:**

- As a student, I should be able to select and request a preferred interview time slot for each job application.

- **View interview slots**

**Description:**

- If accepted, as a student I should be able to view available interview slots provided by employers.

- **Sending Notifications**

**Description:**

- Students should receive notifications or updates on the progress of their applications, such as when they move to the interview phase or if they are rejected.
- Provide the ability for students to set reminders for follow-ups and important dates related to their job applications.

- **Develop a dashboard**

**Description:**

- Develop a dashboard or interface where students can view and manage their job applications.
